

IAS-92/73  
8 May 1973

MEMORANDUM FOR: Deputy Director for Intelligence

SUBJECT : Review of IAS Activities

A canvass of people in IAS discloses no indication that this organization has participated in or supported any activities that could reasonably be viewed as contravening CIA's legal charter. Specifically, I can find no suggestion that IAS has ever been tasked to support covert operations against domestic targets.

GEORGE W. ALLEN  
Director  
Imagery Analysis Service
